BEN KLEIN

OBJECTIVE

I design intuitive digital products that simplify lives, saving people time and effort. Let's create solutions that truly work for you.

WORK EXPERIENCE

UX Designer, 09/2022 - 08/2024
AND Digital, Birmingham

- Worked with clients of various sizes across the UK to enhance their digital presence, implementing tailored strategies that aligned with their goals
- By optimizing user experience, I successfully reduced friction within their products, resulting in smoother interactions which contributed to increased conversion rates, driving growth for businesses

Art teacher, 08/2020 - 07/2021
Lycée de Garçons Esch-sur-Alzette, Luxembourg

- Boosted students' and faculty's workflow by50% by teaching them on how to use a wide range of digital editing and drawing softwares

Storyboard Artist, 03/2020 - 05/2020
Paul Thiltges distributions, Luxembourg

- Created dynamic storyboards and polished animatics during pre-production which saved the team significant time and money later in production

Storyboard Artist, 10/2019 - 12/2019
CGLux, Luxembourg

- Assisted and motivated the director and fellow storyboard artists to translate the script into a coherent vision
- Maximized the re-use of2D backgrounds by30% helping the3D modelers stay within budget and on time

Storyboard Artist, 01/2016 - 10/2018
SONY Playstation, San Francisco

- I worked on several commercials for different Playstation platforms ranging from PS4, to PS Pro over to Playstation VR for their presence at E3 helping them win several big contracts
